Information Regarding Coaches:

To coach at a U.S. Figure Skating non-qualifying competition, a professional coach or choreographer must be:

- ✓ Declared by the skater or team in the registration process
- ✓ Listed as Coaches Education Requirement (CER) Category A or B for the current season. If only coaching a Synchro Skills 1-3 team, a Learn to Skate USA Instructor Membership and background check are sufficient.
- ✓ Current with Coach Registration (requires annual fee and background check)
- ✓ A current member in good standing with U.S. Figure Skating

A coaches' requirements chart can be found here:

<http://www.usfigureskating.org/Content/Coaches%20Requirement%20Chart.pdf>.

The local organizing committee/club will have a list of coaches who are cleared for a credential at the competition. Coaches will need to check in at the event registration desk and show a government issued photo I.D. to receive a credential. Coaches who are NOT on the list will need to show proof of membership in U.S. Figure Skating, a Coaches Registration card, proof of Category A or B compliance and a photo I.D. at check in. **If a coach cannot provide a photo I.D. and is not on the list or cannot produce the necessary documents, he or she will not be allowed a credential – no exceptions. We strongly urge all coaches to have their cards with them. Non-credentialed coaches will not be permitted in the designated coaching area at rink side during events including practice session.**
