

## Bus Drivers:

**Team Drop Off** - A drop off/pick up area will be set up for teams traveling by bus at the rear of the building. All Teams must use the back entrance to the building. It allows quicker and easier access to check-in and locker rooms and minimizes congestion upstairs at Admissions. Team buses must enter the rink parking area at the front (North) parking lot entrance off Oak Valley Drive and leave at the rear (South) entrance. Due to limited parking, team buses will **NOT BE ALLOWED TO WAIT AT THE RINK** they must leave immediately after dropping a team off. If you want to watch your team skate, ask the shuttle driver to pick you up from wherever you are parking. If you are relatively close, that should not be a problem. Local police will not allow team bus parking on Oak Valley Drive.

**Team Pick up** - Team leaders must make arrangements with their bus drivers for pick up. Please schedule team pick up via cell phone, and DO NOT arrive at the rink until you know that your team is on its way out of the building. Buses must come to the drop off/pick up area at the rear of the rink for loading. Unfortunately, we do not have space to stage buses on rink property. Workers in the lot will have these directions and competition schedules and any bus not following these restrictions will be required to move. Due to tight parking there can be no exceptions to these directions.
